Nature of the Problem

In your own words, describe your speech/language or hearing problem.

Background Information – History of the problem:

When was the problem first noticed? By whom?

What do you think caused or is causing the problem?

What have you done, if anything, to help the speech/language/hearing problem? (Give names, dates and places if you have received professional help in the past).

Developmental History

Are you aware of any difficulties you might have had when first learning to walk?

Does anyone have difficulty understanding what you say?

Are there any conditions that make the problem seem more or less severe?

Have you received any speech/language evaluations or therapy? If yes, where and when?

Is there a family history of speech/language problems?
